Internship Acceptance Letter

Dear **P. Sureshkumar**,

We are pleased to inform you that your application for the **Cloud Computing Internship** at **Skylena Info Technology Pvt. Ltd.** has been accepted.

Details:

Name: P. Sureshkumar | **Register No.:** 123UCY088 | **College:** Mahendra Engineering College, Namakkal | **Course:** B.E- Cybersecurity | **Domain:** Cloud Computing | **Internship Duration:** 08/12/2025 to 30/01/2026

During this period, you will be part of our **Cloud Computing Team** and will have the opportunity to work on real-time cloud infrastructure tasks and deployments. The internship will emphasize self-learning with assigned tasks, including cloud setup, virtual networking, IAM management, security configurations, automation, and monitoring.

We look forward to your active participation and commitment throughout the internship. This opportunity will help you develop strong technical and professional skills valuable for your future career in the IT and cloud domain.

Please feel free to contact us if you have any questions or need further clarification.

Sincerely,

TRamkumar

Ram Kumar Thanagvel
